Request for Proposals for DEVELOPERS

To Establish a Strategic Research, Technology Outreach, Business Development, Manufacturing, and Education and Training Partnership with a Qualified Local Developer in the Greater Rochester Area.

The Fort Schuyler Management Corporation, (in conjunction with the SUNY College of Nanoscale Science and Engineering) seeks to develop strategic partnerships with a qualified local developer in the Greater Rochester Area in anticipation of developing comprehensive initiatives for research, technology outreach, business development, manufacturing, and education and training hubs.

Among its qualifications, the designated developer must have the credentials, experience, and capacity to design, construct, finance, market, and lease state-of-the-art facilities and cutting edge infrastructure, as well as partner with FSMC and SUNY CNSE on strategic economic development initiatives.

Qualified Developers may request a Confidentiality Disclosure Agreement (CDA) and RFP Package by emailing the procurement designated contact Joseph Schell; jschell@albany.edu The CDA and RFP Package will be available March 25, 2014 through April 22, 2014. A Confidentiality Disclosure Agreement must be executed prior the RFP document transmission.

Instructions to Responders

Request for Proposals to Establish a Strategic Research, Technology Outreach, Business Development, Manufacturing, and Education and Training Partnership with a Qualified Local Developer in the Greater Rochester Area.

1. INTRODUCTION. OVERVIEW AND PROJECT DESCRIPTION

A. INTRODUCTION

- (a) Fort Schuyler Management Corporation (FSMC), hereafter referred to also as OWNER, hereby solicits proposals, in conjunction with the SUNY College of Nanoscale Science and Engineering (SUNY CNSE), from local DEVELOPERS in the Greater Rochester Area to enter into a strategic partnership for potential research, technology outreach, business development, manufacturing, and education and training hub(s), as described further in Section 1.C (PROJECT).
- (b) The successful DEVELOPER will be required, in its proposal, to demonstrate its ability to meet the objectives of this RFP and foster the New York State governmental, business, economic, and educational agendas for this PROJECT.

B. OVERVIEW

- (a) FSMC is a 501(c)(3) corporation formed to: organization formed to "help facilitate research and economic development activities related to the research and educational mission of the State University of New York in and around the Cities of Utica and Rome, New York by purchasing, constructing, and developing and managing facilities and promoting the research therein which support the economic development, research activities, and the mission of the State University of New York and its State University of New York Institute of Technology campus."
- (b) SUNY CNSE is a global education, research, development, and technology deployment resource dedicated to preparing the next generation of scientists and researchers in nanotechnology. CNSE represents the world's most advanced university-driven research enterprise, offering students a one-of-a-kind academic experience and providing over 300 corporate partners with access to an unmatched ecosystem for leading-edge R&D and commercialization of nanoelectronics and nanotechnology innovations.

C. PROJECT DESCRIPTION

- (a) OWNER anticipates developing state-of-the-art facilities and cutting edge infrastructure at locations to be determined in the Greater Rochester Area that will house research, technology outreach, business development, manufacturing, and education and training ventures in conjunction with SUNY CNSE. As part of the FSMC/CNSE outreach efforts, FSMC seeks to develop a strategic partnership with a qualified local developer(s) for the construction of such research, technology outreach, business development, manufacturing, and education and training hub, as well as partner with FSMC and SUNY CNSE on strategic economic development initiatives. This RFP specifically seeks such qualified developer(s). Such highly qualified developers must have the capacity to design, construct, finance, market, and lease the type of facilities described herein (see DEVELOPER REQUIREMENTS, Section 2).

- (b) The vision of these economic development hubs is to act as an innovation catalyst and business paradigm for research and development (R&D), workforce education, and economic outreach in key nanotechnology-enabled industry sectors that build on, expand, and complement the nanotechnology ecosystem already in place across Upstate New York. A key aspect of their mission is to integrate three building blocks: (i) intellectual knowledge, (ii) physical resources, and (iii) networks (partnerships) targeting nanotechnology-enabled growth industries, including adjacent markets and supply chains, into public-private partnerships that convert enabling innovations and scientific breakthroughs into real business opportunities and revenue-generating ventures within a technically aggressive and fiscally leveraged technology development and deployment environment.
- (c) It is the intent of this RFP for the DEVELOPER to share in the investments associated with this PROJECT and to be involved in the financing of it. The DEVELOPER is also expected to help finance, market, lease, and recommend space fit-up layouts and specifications for planned tenants.
- (d) The OWNER retains full and complete approval of all actions associated with this PROJECT including all public communications associated with it.
- (e) The strategic partnership contemplated in this RFP shall exist for a term of 5 years with possibly 5 successive one-year options for renewal subject to mutual agreement.

2. DEVELOPER REQUIREMENTS

- A. FSMC, in conjunction with SUNY CNSE, is seeking a local DEVELOPER in the Greater Rochester Area with the expertise, commitment, and business values needed to function as a strategic partner to rapidly and effectively advance the construction and operation of research, technology outreach, business development, manufacturing, and education and training hubs, as well as partner with FSMC and SUNY CNSE on strategic economic development initiatives. A proven record in successfully implementing large-scale projects within the public-private partnership organizational context is essential. The successful DEVELOPER must demonstrate its ability to meet the following OWNER requirements:
 - (a) Over 15 years of proven experience and successful track record in the construction and operation of mixed-use facilities and buildings, including Class A office space, electronic classrooms and conference rooms, high tech laboratory space, and advanced cleanroom infrastructure in the Greater Rochester Area, with emphasis on nanotechnology, medical, and green energy infrastructure and facilities.
 - (b) Location of headquarters and major operations in the Greater Rochester Area, with extensive knowledge and demonstrated know how of the local real estate market and business and financial drivers in the Greater Rochester Area.
 - (c) Recognized ability to successfully carry out acquisition, planning, design, construction, ownership, and operation of large and multi-use tech parks, with complex research, development, workforce training, and commercialization buildings and facilities.
 - (d) Fully integrated and comprehensive in-house skills and services, including design, architecture, legal, financial, leasing, construction, and facility management/lease services, with sophisticated tools and advanced capabilities (such as InSite SiteWork (www.insitesoftware.com)) to accurately and efficiently coordinate all aspects of site and

utility construction, to develop ideal building conditions, and USGlobalNet, or USGN's (www.usgn.net) web-based project management software) or equivalent to effectively manage projects expeditiously, professionally, on-time, and within budget.

- (e) Demonstrable know how in the development and implementation of multi-faceted budget and financial models to fund projects, generate revenue, and meet financial goals, including providing strategic guidance and development expertise to formulate and execute viable and financially sound projects.
- (f) Proven ability and keen interest in partnering with FSMC and SUNY CNSE on strategic economic development initiatives, including the development and execution of successful marketing strategies to attract high tech partners and tenants to targeted sites in the Greater Rochester Area.
- (g) Established readiness and disposition to invest in anchoring and expanding DEVELOPER owned business and operations in the Greater Rochester Area, including DEVELOPER owned infrastructure investments and DEVELOPER own job creation.
- (h) Bidder is required to comply with equal opportunities for minorities and women pursuant to section 312 of the New York Executive Law. This includes the achievement of at least 23% Women and Minority Owned Business Enterprise participation (WMBE). Accordingly, it is expected that DEVELOPER be able to demonstrate a track record in WMBE participation.
- (i) Demonstrated track record at serving as the single point of accountability for institutional clients who have multi-year, multi-project initiatives.

B. It is expected that potential tenants and corporate partners will be local, national, and global businesses, companies, and concerns with technology roadmaps and business strategies that are consistent and in accordance with the state pre-eminent strategy in attracting nanotechnology-enabled industries to further develop the state's innovation economy in research and development, technology outreach, business development, manufacturing, and education and training. In addition, preference must be given to Start-Up New York eligible business. The final acceptance of tenants and partners resides with FSMC and SUNY CNSE.

C. DEVELOPER is expected to be ready and willing to lease and occupy a portion of the space in any project that results from this RFP.

D. DEVELOPER, FSMC, and SUNY CNSE are expected to share in the identification of prospective tenants and in negotiating lease arrangements with prospective tenants.

E. SEQRA AND REQUIRED APPROVALS

(a) DEVELOPER, FSMC, and SUNY CNSE will work jointly to obtain required NYS SEQRA approvals, building permits, and operating permits for any project that results from this RFP, other than those permits that are customarily obtained by a builder, general contractor or architect.

F. DEVELOPER QUALIFICATIONS AND EXPERIENCE

(a) The response to the RFP shall include the DEVELOPER's qualifications and experience with regard to design, construction, financing, marketing, real estate services, and leasing of research and development, laboratory, instructional, and office facilities, in accordance with the criteria in sections 2A, 2B, 2C, 2D, and 2E.

G. OWNER assumes no responsibility or liability for any cost incurred by DEVELOPER in connection with this RFP.

Insurance and Indemnification Requirements

1. **Insurance Limits**

Vendor and Vendor's subcontractor shall purchase and maintain at a minimum the following types of insurance coverage and limits of liability:

- A. **Commercial General Liability** ("CGL") with limits of insurance of not less than \$1,000,000 each Occurrence and \$2,000,000 Annual Aggregate. CGL coverage shall be written on ISO Occurrence form CG 00 01 10 93 or a substitute form providing equivalent coverage and shall cover liability arising from premises, operations, independent contractors, products-completed operations, and personal and advertising injury. If the CGL coverage contains a General Aggregate Limit, such General Aggregate shall apply separately to each project.

Fort Schuyler Management Corporation ("FSMC"), the Research Foundation of State University of New York ("RF"), the State University of New York ("SUNY"), The SUNY College of Nanoscale Science and Engineering (CNSE), State University of New York Institute of Technology at Utica/Rome (SUNYIT), and the State of New York ("STATE") shall each be named as Additional Insureds on the Vendor's CGL policy using ISO Additional Insured endorsement CG 20 10 11 85, or CG 20 10 10 93 and CG 20 37 10 01, or CG 20 33 10 1 and CG 20 37 10 01, or an endorsement providing equivalent coverage to the Additional Insureds. This insurance for the Additional Insureds shall be as broad as the coverage provided for the named insured Vendor. This insurance for the Additional Insureds shall apply as primary and non-contributing insurance before any insurance or self-insurance, including any deductible, maintained by, or provided to, the Additional Insureds.

Vendor shall maintain CGL coverage for itself and all Additional Insureds for the duration of the project and shall maintain Completed Operations coverage for itself and each Additional Insured for at least 3 years after completion of the work.

- B. **Business Automobile Liability** ("AL") with limits of insurance of not less than \$1,000,000 each accident. AL coverage must include coverage for liability arising out of all owned, leased, hired and non-owned automobiles. FSMC, RF, SUNY, CNSE, SUNYIT, and STATE, shall each be named as Additional Insureds on the Vendor's AL policy. This insurance for the Additional Insureds shall be as broad as the coverage provided for the named insured Vendor. The AL coverage for the Additional Insureds shall apply as primary and non-contributing insurance before any insurance maintained by the Additional Insureds.
- C. **Workers Compensation** ("WC") Employers Liability and Disability benefit as required by New York State. Detailed information can be obtained by going to the link <http://www.wcb.state.ny.us/> Please note Accord form is NOT acceptable proof of insurance for Workers' Compensation, Employers Liability and Disability insurance. A C105.2, CE-200, or other WC officially sanctioned form is required.
- D. **Commercial Umbrella Liability** ("UL") with limits of insurance of not less than a limit of \$10,000,000. UL coverage must include as Additional Insureds all entities that are Additional Insureds on the CGL and the AL.
- E. **Property Insurance** ("PI") Vendor shall purchase and maintain for the duration of this agreement Property Insurance in the amount of \$6,000,000 that includes coverage for the personal property/equipment of others and/or property that is in the care, custody and control of Vendor.

This policy should provide "all-risk" coverage and shall include coverage for the perils of "testing", "calibrating" and "mechanical breakdown." FSMC and RF shall be named as Loss Payees on the PI policy maintained by Vendor.

- F. **Waiver of Subrogation:** Vendor waives all rights against FSMC, RF, SUNY, CNSE, SUNYIT, and STATE and their agents, officers, directors and employees for recovery of damages to the extent these damages are covered by CGL, AL, WC & EL PI or UL insurance maintained per the requirements stated above.
- G. **Certificate of Insurance:** Certificate of Insurance acceptable to FSMC, RF, SUNY, CNSE, SUNYIT, and STATE must be provided prior to commencement of the Vendor's work. A copy of the General Liability Additional Insured endorsement shall be attached to the Certificate of Insurance.

Certificate Holder: Fort Schuyler Management Corporation
SUNYIT
100 Seymour Road
Utica, New York 13502

- H. **Notice of Cancellation or Coverage Modification** to the certificate of insurance: No insurance policy required above shall be cancelled, modified allowed to expire, or reduced in coverage without at least 30 days prior written notice to the Foundation.
Notice of Cancellation to the Workers' Compensation and Disability benefit without at least 10 days prior written notice to the Foundation.

The obligation of Vendor to indemnify any party shall not be limited in any manner by any limitation of the amount of insurance coverage or benefits including workers' compensation or other employee benefit acts provided by Vendor.

2. **Indemnification Requirements**

Vendor shall indemnify, save, hold harmless and defend each of Fort Schuyler Management Corporation ("FSMC"), the Research Foundation of State University of New York ("RF"), the State University of New York ("SUNY"), The SUNY College of Nanoscale Science and Engineering (CNSE), State University of New York Institute of Technology at Utica/Rome (SUNYIT), and the State of New York ("STATE"), and the agents, directors, trustees, officers, employees, shareholders, members, and assigns of each of them (collectively, "Indemnitee") from and against any and all claims, damages, demands, actions, judgments, lawsuits, proceedings, assessments, liabilities, losses, penalties, costs and expenses (including, without limitation, reasonable attorneys' fees, costs and expenses), whether or not subject to litigation (collectively, "Indemnified Claims"), incurred by any Indemnitee in connection with the performance of this Agreement, or for any damage or destruction of property, or injury, sickness, disease or death to persons caused by any acts or omissions of Vendor's or its employees' or agents'.

Acknowledgement: By signing below, you acknowledge your organizations willingness to comply with these insurance and indemnification requirements should your organization be awarded the project.

**Instructions for Completing the
Disclosure of Prior Findings of Non-Responsibility Form**

Background:

New York State Finance Law §139-k(2) obligates a Governmental Entity to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity. The terms “Offerer” and “Governmental Entity” are defined in State Finance Law § 139-k(1). State Finance Law §139-j sets forth detailed requirements about the restrictions on Contacts during the procurement process. A violation of State Finance Law §139-j includes, but is not limited to, an impermissible Contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether an Offerer fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Offerer that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe. See State Finance Law §§139-j (10)(b) and 139-k(3).

Instructions:

RF/CNSE includes this disclosure request regarding prior non-responsibility determinations in accordance with State Finance Law §139-k in its solicitation of proposals or bid documents or specifications or contract documents, as applicable, for procurement contracts. The attached form is to be completed and submitted by the individual or entity seeking to enter into a Development Contract, Supplement or Change Order.

This document must accompany each Bid Form, Letter of Interest, or Proposal submitted by an offerer and will be required for any contract amendments over \$15,000.
